

SUMMER ARCHERY

Utah Division of Wildlife Resources

Program Description: Instruction will be based on the National Archery in the Schools "11 Steps to Archery Success". The Archery program will teach international-style target archery. It will cover archery history, safety, technique, equipment, concentration, core strengthening, physical fitness and self-improvement. Participants will make a string bow to practice the 11 Steps outside of class. Archery offers participants lifelong skills and provides many additional benefits such as self-confidence, motivation, and the ability to pay more attention and improve the focus in a variety of learning situations in a fun safe environment. Instructors will be certified Basic Archery Instructors through the Utah Division of Wildlife Resources.
